RE: Anthony August Larson (DOB 09/24/19XX), PsyD Candidate

To Board of Psychology:

Anthony August Larson (DOB 09/24/19XX), has been admitted to candidacy on 08/01/2025 for a doctorate degree in psychology. For learners seeking licensure in CA, the emphasis (or specialty or specialization) in clinical psychology is satisfied by the core coursework of the program. The learner has satisfactorily completed three or more years of post-graduate education in psychology (completion of 52 semester credits) and having passed preliminary doctoral examinations. This student has a 3.969 GPA and successfully passed the Comprehensive Exam on 05/27/2025. Doctoral project started on 08/01/2025 under the direction of Lauren Innamorato, Chair.

This letter serves to verify that this student successfully completed the required 52 semester credits of post-graduate education as required by the Board of Psychology while attending California Southern University.

Please feel free to contact Registrar/Records if you have any questions or concerns.

Sincerely,

Marcela Lopez
